October 31st, 2014

In conjunction with the **FIELD MEETING**, Robin Peckham, chief editor of **LEAP Magazine** will moderate a discussion that focuses on art publishing in Asia: the challenges of localizing and globalizing, running a cosmopolitan publication, and publishing as knowledge production vs. performance. Panelists include artist **Ian Cheng** from **Badlands Unlimited**, **artforum.com** editor **Lauren O'Neill-Butler**, curator **Howie Chen** of **Dispatch**, and **Artnet** editor-in-chief **Benjamin Genocchio**. This event will be hosted by **Artnet**. Space is limited; please RSVP at events@artnet.com.

Project 35 Volume 2 Screenings

ICI, Independent Curators International

During FIELD MEETING lunch and other breaks, there will be select screenings from ICI's *Project 35 Volume 2*. A major traveling exhibition for which 35 curators were invited to select one video work each by an artist they consider important today. Tellingly, 13 of the artists in the exhibition are based in Asia, as are 10 of the curators.
